\* - This amount is determined by the Parish Finance Council. It is based on the annual cost of Parish operations for the parish year, 01 Jul thru 30 Jun. The annual cost includes items such as the maintenance for our buildings, utilities, all Mass and church supplies, salaries for staff, support for the school...everything right down to the Kleenex provided in the church. The annual amount is then divided by the 12 months in a year to establish the monthly amount necessary. The tithing collections offered by our parishioners each week, our only income, is reported in the spirit of transparency for all. When we fall short in our collections for the needed monthly operating expenses, the difference must be pulled from investments or savings to cover the operating expenses. This impairs our sustainability to 'grow' our parish programs and services in the future.

**Don't forget to teach our children how to submit their envelopes weekly! Take one with you to fill out for the following week-end if that is of help instead fixing one on the way into Mass.**

*Thank you for the privilege of your generosity and support..*

## FROM THE PASTOR'S DESK

Fr. Kerry Ninemire

EATING/CONSUMING/TRANSFORMATION: Our Prayer after Communion last Sunday ended with "....and be transformed into what we consume." This is taken from St. Augustine who had many variations of this but by his death, it had this form right before reception of Communion:

Presider: "Behold what you are."

Response: "May we become what we receive."

At Mass we place ourselves upon the Altar at the Presentation and we pray through the Consecration that as the bread and wine are transformed, so may be transformed into the Body and Blood of Christ. I realize this may be hard to notice or realize but I totally believe that as we come, pray and receive over a lifetime....it happens. By the end of our lives and especially at our death, we become more and more "sharers of His divine nature" (taken from the closing prayer of this Sunday's Mass).

May God bless us all.  
Father Kerry

Please pray for the intentions and needs of the following:

Deb Chaudary Marissa Graham  
Sandy Dietrich Steve Matthews  
Benjamin Grelk Bruce Piava  
Elizabeth Clark Rachel Moore

Lindy Grant-Rubash Elizabeth Bunce Ralph Schmedemann  
Cooper Holloway Julie Taylor Peggy Wawrzyniak  
Jude Fairchild Manny Pasquil Shirley Oaks  
Ryleigh Joos Mary Bolette James DeCarlo  
Judy Rosa John Cooner Marty Perta  
Diane Ussery

Please review the following page for the "St. Francis Xavier Crisis Plan".

The most important take away is that in the event of any emergency, **Listen to the Ushers**. In the pews are forms to complete if you have health/safety/law enforcement experience and you are willing to assist in

an emergency when your expertise would be helpful. The information is being updated so please complete a form even if you filled one out in the past. You may put the form in the collection basket or drop it off at the parish office. Thank you.

Catholic Charities is hiring a Director of Development at our Salina location. The Director of Development will help the agency secure financial resources for its programs and operations with overall responsibility for fundraising, donor relations, and prospect research. This position is responsible for strengthening donor relationships with individuals, foundations, and businesses while developing strategies and plans for key activities and fundraising campaigns. This position will provide leadership and management as part of the agency's executive team. We are looking for an experienced, forward-thinking, and positive individual to fill this role. To apply visit [www.ccnks.org/careers](http://www.ccnks.org/careers).

## St. Francis Xavier Parish Crisis Plan

Saint Francis Xavier Parish has a Crisis Response Plan for the most common emergencies that may arise during a parish event taking place in the church (medical, fire, weather related, protestors, violence inside or outside the church, unauthorized/agitated person, active shooter). The ushers have been trained to respond to these situations.

Parishioners with health/safety/law enforcement expertise have signed up in advance to assist the ushers with an emergency when appropriate. Please allow ushers and these individuals to take the lead in emergency situations.

### **LISTEN AND FOLLOW THE DIRECTIONS OF THE USHERS IN ANY EMERGENCY.**

The ushers wear an "usher badge" for identification and in case of a major emergency will wear a yellow vest to be easily identified.

#### Notes:

**Evacuation of the church** (examples: fire, toxic fume)- Gathering area will be established behind Building C or other designated area (LISTEN TO USHERS) and medical assistance will be available. Ushers need to ensure that any emergency vehicles can enter and leave the parking lot. Do not attempt to move cars in the parking lot unless permission is given by ushers.

**Potential for severe weather conditions**- Stay home if you feel that attending a church event may put you in danger. Consider attending Mass at an alternate time. There is not a safe shelter in the church from severe storms and leaving the church may not be an option.

**Violence outside the church**- Church doors will be locked (announcement made) and parishioners will remain in the church until ushers are notified by law enforcement that any potential dangerous situation has been neutralized.

**Violent/Agitated Person inside the church**- Ushers and trained individuals have been instructed how to respond to this type of situation. If you become aware of an agitated/suspicious individual notify an usher as soon as possible. Do not approach or engage with the individual.

**Active shooter**- If there is an active shooter situation you will be instructed to GET BELOW THE PEWS-THERE IS A PERSON WITH A GUN. At the onset of the attack where shots are being fired, law enforcement parishioners, military and trained armed parishioners must engage the active shooter.

This plan was developed by the St. Francis Xavier safety committee after attending a diocesan safety meeting last fall. The plan has been reviewed by the Junction City Police Department.

### 2023 Catholic charities Annual Appeal "Together, We can!"

*"If it wasn't for Catholic Charities coming to our community, we would not have been able to make ends meet or keep our boys fed. It lifted our burdens."*

This quote comes from a woman named Cathie, a wife and mother of two, from Beverly. Last year, Cathie's life was turned upside down after a breast cancer diagnosis forced her to leave her job. To be closer to his wife, Cathie's husband also changed jobs amidst her health battle, creating substantial income loss in her family. Cathie was constantly worrying about how to pay her medical and utility bills, and even the expense of buying groceries was a tremendous burden. That's when Cathie heard about Catholic Charities outreach program and started going each month to receive supplemental food and hygiene items for her family.

DOUBLE your impact with our \$150,000 match, to provide people like Cathie with resources to overcome life's greatest challenges. Your generosity brings life to our mission, providing those struggling throughout northern Kansas with food, hygiene items, clothing, transportation, and mental health support. To give to the Catholic Charities Annual appeal, please use the pledge cards and remittance envelopes provided by your parish, or by the pledge card that you will receive in the mail. You can also donate at [ccnks.org/annualappeal](https://ccnks.org/annualappeal). We truly hope you can step up and be that face of hope for our neighbors in need. Thank you!

With questions, please contact our Donor and Parish Relations Coordinator, Megan Spilker, at 785-825-0208 or [mspilker@ccnks.org](mailto:mspilker@ccnks.org)

### First Reconciliation

### Sacramental Preparation

There will be meeting for parents of those seeking First Reconciliation on Wednesday, October 25th at 6:30 pm in the Parish Meeting Room.

### Men of the Parish....we all need your help!

It is time to start thinking ahead so that when the snow comes we are prepared. We are asking men of the parish to help with shoveling the sidewalks around the church and school when more than 1 inch of snow comes. The main parking lot areas are contracted out.

We would like to build teams and folks will be assigned for one month and then be done for the season. Please consider! When a few show up it goes much faster! We do have two snow blowers and will use those as much as possible. Kansas forecast is only three snowy days in Jan and five in Feb.

Please contact the Parish Office if you can help...phone lines are open!

**GREAT STEWARDSHIP OPPORTUNITY!**

## NIGHT OF HEALING FAITH

Are any among you sick? They should call for the elders of the church and have them pray over them, anointing them with oil in the name of the Lord. The prayer of faith will save the sick, and the Lord will raise them up; and anyone who has committed sins will be forgiven. Therefore confess your sins to one another, and pray for one another, so that you may be healed. The prayer of the righteous is powerful and effective. —James 5:14-16

### Friendly Reminders!

Please pay attention while in the campus parking area. Our kids are back in school and our evenings and weekends are jam packed with events. Wednesday nights are particularly hazardous for our children coming and leaving Religious Education.

Our campus is a one way drive entered **only** from 2nd Street. Entering the parking lot from Washington Street is prohibited. There are two directions to exit onto Washington Street. One going north and one going south. Especially after weekend Masses, please be attentive to sharing the exit so that all can get to their next destination. Do not attempt to exit our parking lot directly onto 2nd Street but follow the one-way path out to Washington Street.

There have been folks abusing the handicap parking spots close to the south door of the church. At all times these parking spaces are reserved for only those with properly tagged vehicles for handicap needs. If you maybe have a temporary minor infraction where the space would assist you being close to the door, contact the Parish Office. Arrangements can be made to help you. Only those with properly tagged vehicles should be parking in handicap spaces, no matter what time of day or how crowded you perceive the parking lot to be. Please be considerate of parishioners in need.
